MALDIVES

CALL FOR PAPERS

We are delighted to announce the “International Medicine and Health Sciences Congress (IMHSC)” which will be held on 12-14 November 2024 in the Maldives National University, Maldives. The aim of the International Medicine and Health Sciences Congress (IMHSC 2024) is to provide a platform for interdisciplinary dialogue, knowledge sharing, and collaboration among researchers, healthcare professionals, academicians, policymakers, and industry experts in the field of medicine and health sciences. This conference seeks to foster a dynamic environment that promotes the exchange of innovative ideas, research findings, and best practices to address the pressing challenges and opportunities in healthcare and medical research.

The topics of the conference include (but are not limited to):

- * Clinical Medicine
- * Medical Specialties
- * Public Health
- * Medical Research
- * Healthcare Technology
- * Medical Education
- * Mental Health
- * Infectious Diseases
- * Nutrition and Dietetics
- * Medical Ethics and Law
- * Alternative and Integrative Medicine
- * Healthcare Systems and Management
- * Global Health
- * Aging and Gerontology
- * Environmental Health
- * Patient Experience
